Child Care News

Child Care Resource & Referral

www.plumasruralservices.org

Welcome to our newest licensed provider: Carlee Tone, Greenville

Have you called Liz Welch and asked her about Plumas STARS? 530-283-4453 ext. 815. Super exciting stuff! You will be glad you did!

How many active Family Child Care Homes and Child Care Centers do we have in Plumas County?

- Quincy 16
- Chester 7
- Portola 6
- Indian Valley 6
- Almanor Peninsula 1

Have you signed up to receive Community Care Licensing Pins/ Quarterly Updates?

Community Care Licensing regularly sends important information to providers and stakeholders by way of Provider Information Notices (PIN) and Program Quarterly Update Newsletters. By entering your email address and selecting the program you are interested in, you will be able to receive this information directly when it goes out.

Go to: www.ccl.d.ca.gov

Click on: Receive Important Updates

HOT CAR DEATHS ARE A CONSISTENT PROBLEM

Heatstroke kills 38 children on average, according to the National Safety Council. As a provider do you call a parent when a child fails to arrive at your child care setting? One phone call could make all the difference.

Welcome Emilia Grisak , our new Licensing Program Analyst (LPA) from Community Care Licensing.

Emilia is replacing Kirk Marks who is covering a different area.

Please mark your calendars:

Registry Account

www.caregistry.org

What is the
California Early Care and
Education

Workforce Registry?

The CA ECE Workforce
Registry is a web-based
system designed to track and
promote the employment, training
and education
accomplishments of the early care
and education of teachers and
providers.

Please take the time to obtain
your registry account number

today.

Only eight simple steps.
